Attn: Mr. Raju Joseph Pulikkunnel
Managing Director

Dear Mr. Raju Joseph Pulikkunnel,

We wanted to express our happiness & appreciation on the good performance of your Handicare Stairlift, installed by Aarding Team in the Main entrance of our temple and it is working very effectively. It really helps aged and physically challenged devotees to go up and down easily.

We also really appreciate your company's instant service policy that helped twice when there was some minor glitch.

Our Management is very happy with all the assistance & communication provided by your team right from the order, installation & service. May God bless you to serve the society with this unique product.

We look forward for future co-operation with your Company and wish you all the best for all your future endeavours.

Thanking you,

(D.VEERENDRA HEGGADE)
